

RIC FAA Safety Team presents:

CFI/DPE Forum

In part 1 of this series, we discussed professionalism and the CFI profession. At this event, we will discuss helping students learn, and providing adequate instruction. We will share methods that you and your students can use to monitor, maintain, and improve safety assets in order to achieve an acceptable level of safety. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: This seminar will be held at the Rick Aviation 141 Flight School. Upon entering the Williamsburg/Newport News Airport on Bland Drive, take a left on Lear Drive, then a right on Cherokee Drive. The flight school is located on your right at the end of Cherokee Drive.

A message from the National FAASafety Team Manager
